University Exemplary Department or Program Award
Recipients

2018: Working beyond department/program boundaries to collaboratively achieve student learning goals
  ‣ Chicago Studio
  ‣ Department of Materials Science and Engineering
  ‣ Department of Religion and Culture

2017: Effectively engaging students in hands on, minds on instructional environments
  ‣ Department of Apparel, Housing, and Resource Management
  ‣ Department of Geosciences
  ‣ Department of Sustainable Biomaterials

2016: Developing and sustaining effective large class instruction
  ‣ Department of Biological Sciences
  ‣ Department of Chemistry
  ‣ Department of Physics

2015: Effectively linking research and scholarship with teaching, with particular concentration on innovative programs
  ‣ Department of Aerospace and Ocean Engineering
  ‣ Department of Chemistry
  ‣ Department of History

2014: Developing and sustaining innovative and effective approaches to fostering Ut Prosim (“That I May Serve”) at the undergraduate or graduate level
  ‣ Department of Chemistry
  ‣ Department of Psychology
  ‣ Urban Affairs and Planning Program
  ‣ VT Engage

2013: Effectively implementing and assessing programs for first-year students that incorporate problem solving, inquiry, and/or integration of learning skills
  ‣ Foundation Program (School of Architecture + Design)
  ‣ First-Year Writing Program (Department of English)
  ‣ Invent the Sustainable Future Program (College of Natural Resources and Environment)

2012: Effectively integrating ePortfolios to improve student learning
  ‣ Arts and Humanity Program (Department of Teaching and Learning)
  ‣ Department of English
  ‣ Higher Education Program (Department of Educational Leadership and Policy Studies)

2011: Effectively linking assessment with instruction to improve student learning
Grado Department of Industrial and Systems Engineering
Department of English
Dietetics Program (Department of Human Nutrition, Foods, and Exercise)

2010: Developing and sustaining innovative and effective approaches that foster international awareness and education
- Department of Mechanical Engineering
- Department of Entomology
- Department of Chemical Engineering

2009: Effectively linking research and scholarship with teaching, with particular concentration on innovative undergraduate programs
- Department of Chemistry
- Earth Sustainability Program

2008: Working collaboratively across departmental boundaries to fulfill common or complementary goals
- College of Liberal Arts and Human Sciences
- Department of Computer Science
- Department of History
- School of Architecture + Design
- Department of Teaching and Learning
- Undergraduate Research Institute

2007: Developing and sustaining innovative and effective departmental approaches to advising at the undergraduate and/or graduate levels
- Department of Industrial and Systems Engineering
- Department of Apparel, Housing, and Resource Management
- University Academic Advising Center

2006: Developing and sustaining innovative and effective departmental approaches to introductory courses at the undergraduate and graduate levels
- Department of Communication
- Department of Engineering Education

2005: Enhancing global diversity by effectively increasing the numbers of culturally diverse faculty, staff, and students, and/or promoting and supporting international and multicultural perspectives to support the missions of the university
- Cranwell International Center
- Department of Human Development

2004: Managing faculty resources of time and talent effectively and creatively to fulfill stated departmental or program missions
- Department of Biological Systems Engineering
- Department of History
- Department of Theatre Arts
2003: Working collaboratively across departmental boundaries to fulfill common or complementary goals
  ▸ Department of Electrical and Computer Engineering, Department of Material Sciences and Engineering, and Department of Physics
  ▸ Department of Foreign Languages and Literatures and Pamplin College of Business
  ▸ Graduate and International Programs
  ▸ Graduate Program in Science and Technology Studies

2002: Maintaining a high quality of advising both at the graduate and undergraduate levels
  ▸ Department of Biology
  ▸ Department of Animal and Poultry Sciences
  ▸ Department of Mining and Minerals Engineering

2001: Developing and sustaining innovative and effective departmental approaches to introductory courses at the graduate or undergraduate levels
  ▸ Department of Forestry
  ▸ Marriage and Family Therapy Program (Northern Virginia)
  ▸ Residential Leadership Community

2000: Effectively increasing diversity of faculty, staff, and students, and/or enhancing multicultural perspectives in teaching, research, and outreach programs
  ▸ Department of Educational Leadership and Policy Studies
  ▸ Department of Industrial and System Engineering
  ▸ Dean of Students Office

1999: Effectively linking research and scholarship with teaching, with particular concentration on innovative undergraduate programs
  ▸ Department of Aerospace and Ocean Engineering
  ▸ Department of Psychology
  ▸ Department of Physics

1998: Working collaboratively across departmental boundaries to fulfill common or complementary goals
  ▸ Urban Affairs and Planning Program
  ▸ Department of Materials Sciences and Engineering
  ▸ Department of Building Construction
  ▸ Department of Civil and Environmental Engineering

1997: Maintaining a high quality of advising both at the graduate and undergraduate levels
  ▸ Department of Mining and Minerals Engineering
  ▸ Department of Animal and Poultry Sciences
  ▸ Department of Agriculture and Applied Economics
1996: Developing and sustaining innovative and effective departmental approaches to introductory courses at the graduate or undergraduate levels
   ▸ Department of Mathematics
   ▸ Department of Geological Sciences
   ▸ Engineering Fundamentals Program

1995: Managing faculty resources of time and talent effectively and creatively to fulfill stated departmental or program missions
   ▸ Women’s Studies Program
   ▸ Department of Communication Studies
   ▸ Department of English

1994: Effectively linking research and scholarship with teaching, with particular concentration on innovative undergraduate programs
   ▸ Department of Biochemistry
   ▸ Department of Electrical Engineering
   ▸ Department of Mechanical Engineering
